

FOUNDATION FOCUS

Latest News & Updates from St. Michael's House Foundation - Summer 2025 - Ep.2

JUNE CLUB DRAW WINNER!

Join our club draw and be in with a chance to win amazing cash prizes every month, Just like Evelyn Asin from our Woodview Service who won €1,000 in our June Draw.

Not only that, we have our annual car draw which was recently won by Anna and Hugh Quinn. To enter simply click on this link: [Club Draw SMH Staff | St. Michael's House Foundation](#)

or scan the attached QR code.

TACKLE THE TOWER

The weather held off just long enough for our brave participants to scale the 190ft Smithfield Tower on Saturday, 31st May – and what a day it was!

Thanks to their courage and determination, over €25,000 was raised in support of many services at St. Michael's House.

From all of us at the Foundation, thank you for going to great heights for a great cause! Take a look at our legends and watch the [highlights](#) from the day!

THE GREAT BIRTHDAY BAKE OFF

This year, St. Michael's House is turning 70 years old and we want to help them celebrate! We want to host as many parties as possible and have some fun with family, friends, cake and tea!

You are invited to host your own Great Birthday Bake Off and Coffee Morning, any day between 1st and 7th of September. To find out more and register for your free GBBO pack - [click here!](#)

We can't wait to see photos and videos from right across St. Michael's House for this event

SUPPORTING SERVICES

From 2km to Triathlon! Well done Adam - such an amazing achievement!

Just four months ago, a 2km run felt like a stretch — but on 19th July, Adam Quinney successfully completed the Birmingham UK Triathlon at Alderford Lake, raising vital funds for his brother-in-law Davy's Training Centre at St. Michael's House.

Alongside Daniel Quinney, Adam powered through months of early mornings, training and determination to cross that finish line, cheered on by his incredible family.

We love hearing from family members who want to support services with some fundraising. The Foundation always have events available for service users, staff, families and friends to take part. Check out our website and social media for event updates and to register - www.smhfoundation.ie

CORPORATE CORNER

We were delighted to welcome Kellie Mahon (Head of Training and Development) and Aisling McCann, CIPD (HR Operations Administrator) from DHL to our Ballymun HQ in July. DHL generously donated 8 Samsung tablets to support children's services across St. Michael's House. These devices will be a vital tool in enhancing learning, communication, and day-to-day engagement for the children and families we support.

Our CEO, Jonathan Power, accepted the donation on behalf of the St. Michael's House Foundation. A heartfelt thank you to DHL for their ongoing support and commitment to making a real difference. And a special thanks to our wonderful friends at Oscar's Kids for making the introduction.

Do you have a family member or friend working in a business or corporate. Do they possibly do a charity of the year or offer financial or other supports to charities. Please think of St. Michael's House Foundation if you do have these links and help us with an introduction. It could go a long way in helping us deliver some financial support for St. Michael's House

WELL DONE!

WOMEN'S MINI MARATHON

A Go raibh míle maith agaibh to all the incredible women who walked, jogged, and ran the 2025 Vhi Women's Mini Marathon. Thanks to their amazing energy and generosity, they raised over €10,000 - what a phenomenal achievement!

We are so proud to have you on [Team SMH!](#)
