SUPPORTING SERVICES

The annual Noel Hughes Memorial Golf Classic took place once again at Donabate Golf Club, proving to be another fantastic success in support of St. Michael's House services, Caisleán and Sallowood.

The event continues to honour Noel's memory, bringing together family, friends, and the local community in a wonderful celebration of his life and legacy.

With great participation, generous contributions, and a brilliant atmosphere on the day, this much-loved event continues to grow each year – a true testament to the impact Noel made and the dedication of those who remember him.

CORPORATE CORNER

We were delighted to welcome Katie Cummins from Progressive Credit Union to officially open Phase 1 of the new garden at our Donabate Children's Respite Service 1. Plenty of tea and cake were consumed, while we thanked them for their generous donation which is helping to create a wonderful outdoor space where children can enjoy special memories, fun experiences, and happy times.

The staff and service users are truly grateful for this incredible support. You can check out more fantastic pictures from the coffee morning [here!](#)
