COMMUNITY FUNDRAISING

What a year for community fundraising!

From the 70km for 70 Years New Year challenge, to birthday bakes, marathons, abseils, school fundraisers, and local events across the country — our community showed incredible dedication and passion.

You stepped, baked, ran, climbed, and celebrated with us, raising vital funds that directly support services across St Michael's House.

Your energy inspires us every day. You are amazing!

A FESTIVE THANK YOU!

As we come to the close of 2025, we want to extend a heartfelt thank you to every supporter, volunteer, service, family, and team member who made this year so impactful.

Together, we continued to strengthen essential services for children and adults with disabilities across St Michael's House.

Your kindness has made a difference — thank you.

CORPORATE SUPPORT

To our corporate partners — thank you for your generosity and spirit. Your workplace fundraisers, event sponsorships, employee volunteering, and matched funding have had a huge impact in 2025. Together, we are building ongoing support for essential programmes, accessibility resources, and inclusive activities for the people we serve. Your commitment is changing lives.

If you know anyone or any company that might be able to help, whether through personal contacts, workplaces, or charity-of-the-year programme, please pass the details on to Jonathan. We are a small team here and we would really appreciate your help. Email corporates@smhfoundation.ie

SUPPORTING SERVICES

To all the teams across St Michael's House: your commitment, creativity, and compassion shine in everything you do.

This year we saw bake sales, raffles, challenge events, and so many heart-warming celebrations organised by your staff and families.

Thank you for welcoming our Foundation, working with us, and helping us grow this year. We are proud to partner with you, and we look forward to building even more together.
